---

**Let's start...**

**Dr. Arti : What inclined you to adopt this career?**

**Col. Ruhil :** I always had an interest in the field of education. However, destiny took me to serve the nation through Indian Army. After retirement from the Army, I decided to join the profession of my interest – the field of education.

**Dr. Arti : Because this a very responsible task, how do you manage?**

**Col. Ruhil :** Every job is a position of responsibility. One has to be sincere and dedicated to the profession.

**Dr. Arti : What is the biggest challenge at your job? How do you approach them?**

**Col. Ruhil :** Managing the teams that have diverse components and interests, is challenging. But life would have been dull, indeed, if there were no challenges. When the going gets tough, the tough get going; and I think I am reasonably tough.

**Dr. Arti : In your experience what is the key to developing a good team?**

**Col. Ruhil :** Some aspects that must be kept in mind while developing a good team are:-

- Trust among the team members.
- Good and clear communications.
- Delegation of responsibility and taking responsibility for anything going adverse in the team.
- Encourage free expression of opinion by all. But once a decision is taken, all must follow the decision, irrespective of personal views.
- Loyalty to the organization and welfare of students must be above all other considerations.

**Dr. Arti : Give me an example of when you thought outside of the box. How did it help your Faculty?**

**Col. Ruhil :** Thinking out of the box is for independent enterprises and trainees. We, in the University, ought to follow the broad guidelines of the National Education Policy 2020 and the provisions of UGC Act 1956.

**Dr. Arti : How do you manage your personal and professional life?**

**Col. Ruhil :** At my level it a 24x7x365 days profession. Personal life comes second.

**Dr. Arti : What can you tell us about your experience about the MGU?**

**Col. Ruhil :** In MGU, as in any other institution, every day is a new learning. Every challenge is a new experience from which one learns a lot. Believe me, being among the youth (students) and matured faculty is a very satisfying experience.

**Dr. Arti : What skills are required in your position on a day-to-day basis?**

**Col. Ruhil :**

- Excellent man management.
- Good inter personal relations.
- Attitude of being helpful to all especially the students and compassion towards all.
- Good professional knowledge.
- Ability to work long hours.

**Dr. Arti : A faculty member approaches you with a serious problem. How do you proceed?**

**Col. Ruhil :** I am convinced that if a faculty member approaches me, he/she has come with the trust that I shall be able to solve his/her problem. I consider it my sacred duty to live upto the trust with which the faculty has come to me.

I believe that any person going out of my office with a smile gives me the satisfaction that I have done a fairly good job.

**Dr. Arti : How did you come to know about YBN University?**

**Col. Ruhil :** YBN University is a well-known University of Jharkhand state. The Chancellor and Pro Chancellor are well known personalities who have done and are doing yeoman's job in spreading education among the youth of the day.

**Dr. Arti : Do you want to give any message to students of YBN University?**

You ought to make full use of the inclusive quality education and learning opportunities available to you all in YBN which ensures that you, as a learner, are eventually transformed into a good human being imbued with moral and ethical values and are equipped with adequate employment skills (self employment or job). ## STICK- THE SOLUTION

A Man *IN HIS EARLY* fifties was running on the road with entire force he could muster through the Ganguly lane 1...2 and ...3. Neither was it early morning nor he was taking morning walk; sorry, morning run most probably. It was around 9.30 a.m. and the man was putting his strength to bring himself in safe position. In no time he reached The Seafood Industry campus and ordered the gatekeeper to lock the gate immediately. The gatekeeper glanced at the road but couldn't find anything terrifying. He wondered why this Sahib comes furiously, in an impassioned way; asks me to shut the gate daily.

Panting..., the man asks for a glass of cold water, making himself comfortable in a chair below a fan. He was sweating profusely, as if taken bath and could not feel the air from the fan which was running in its full speed. "Take breath Sir", "Drink this, this water Sir", the peon said.

Wiping his face with the handkerchief, the man drank the chilled water in 5 seconds and returned the glass with a faint smile.

He is Mr. Anurag Chatterjee working as a Commission Agent in a renowned Seafood Industry, Kolkatta. In the last house of the Ganguly lane 1, Mr. Chatterjee lives along with his wife and two children. He recently shifted here four months back; when Mr. Tiwari, the owner of the previous house asked him to vacate after the heated argument over the repeated fish smell coming from his house. After all Mr. Tiwari was a Brahmin and Mr. Chatterjee's family could not resist from eating 'Maach'. Moreover, he was also engulfed in the profession of sea-food. Thus, Mr. Chatterjee thought to take another house on rental agreement.

In this new house and new surrounding, everything was fine for the family members except Mr. Chatterjee. It was one of the 2 BHK individual houses along with a small garden. Mrs. Chatterjee was very fond of flowers as such she planted jasmine, rose, hibiscus and marigold. The plants started blooming and the garden attracted the passers –by. The aromatic smell of the jasmine refreshed the energy in the area. One corner of the garden was used by lady of the house to throw the left over's of the meals. Though, it was not noticed by any of the individuals amid the flowers cultivated in the garden. Dogs are good sniffers, you know!!!

In the colony lived a pair of stray dog who were delighted by the arrival of this new family. Both dogs were marked with confidence of their meal at night in the beautiful garden.

“No need to loiter here and there”, they must have thought.

Mrs. Chatterjee threw plenty of left-over's (different kinds of fish and rice) in which these dogs used to feed themselves. Infact it became party time for them at night since the family shifted here. They would eat, play, enjoy and even fight for a fish-piece barking loudly and harshly in an unfriendly tone.

This noise was not liked by Mr. Chatterjee. He got annoyed as his favorite program was broadcasted in the television during that time. The loud bark of these dogs would not let him hear the conversation. Mrs. Chatterjee tries to flee them by throwing water but they were determined to not to move.

At last, Mr. Chatterjee ventures to the garden with a stick in hand. Once, he even hit one of the dogs. This was disliked by the other partner as he growled back. Perhaps didn't attack due to the fear of stick. This became the daily routine of Mr. Chatterjee. Whenever at night, he hear the loud barks from the garden, with a stick in hand this man would horrify the dogs. Thereafter, at the thought of being hit the dogs would immediately leave the place.

“Sir, are you ok now?” the peon asked

“Ya”, ‘I am fine’, Mr. Chatterjee replied.

Meanwhile, the other staff members came and everyone got engaged in their respective works. Forgetting everything Mr. Chatterjee also commenced his work. As a commission agent he deals with local-language speaking fishermen as well as organized and professional suppliers. That is he is the link between fishermen and suppliers. Holding a particularly useful post, he procures goods from the fishermen; grades each type of fish as clean, or defective, based on the condition of the fish that is size, wear and tear etc.

In the process he would grab some of them and keep aside that was shared by peon later on. Consecutive days, he would take different varieties. This was the reason that those two dogs feasted with great delight- sometimes Pompret,...Hilsa, ....Prawns,...Indian Mackarel, ...Tuna,...Ribbon fish and many other varieties.

Obviously, they also do not like to be disturbed in their enjoyment by Mr. Chatterjee. So, I suppose they thought of a plan. They chased Mr. Chatterjee on his way to his office (lane 1 and lane 2); the man in utter horror would run full length (lane 3 also) and reach his office panting. As the dogs were chased at night from the garden, so did they in repentance in the morning.

The returning time in the evening to his home was not so panic-stricken. This time the dogs would not run after Mr. Chatterjee, just gave loud barks. It seems they knew that he is carrying the heavy bag filled with party-food!!

Frustrated with the daily routine – running to office, Mr. Chatterjee was giving a thought to get rid of the problem, when peon tampered him,

“What happen Sir? What are you thinking of?” The peon asked passionately as he do to other staff members trying to meddle and then disclosing them to others.

“Thinking about morning?”

“Thinking about dogs? “The peon giggled.

“You are poking fun of me”. ‘Stupid-fellow’

“Why don’t you try to get me out of this horrible problem?” Mr. Chatterjee said in a painful voice.

“Sir, I suggest, why don’t you buy a scooter?”

“Everyone has bike or scooter. Why not you?”

“This will even rid you out of running ..., dogs....”

“Besides you can also take your family in a ride.” Peon suggested.

“Scooter!!!” Mr. Chatterjee exclaimed.

“Yes Sir Scooter”.

“Go and buy it today itself”.

“That’s a perfect solution”. Peon added

“Nice idea”. Mr. Chatterjee patted peon.

He registered his name for ‘Activa’ and within three days he got the delivery. But was that a perfect solution of the problem?

Very excited he was that morning to go office in a two- wheeler. He thought and relaxed with a deep breath. “Now, no more running”.

“Finally”

Very proudly, he rode the sparkling blue and white colour scooter down Ganguly lane 1...2...3 and reached office. The gatekeeper was surprised with a sudden change. With bulging eyes he did not glanced at the road but at Mr. Chatterjee and his new two- wheeler. With a broad smile Mr. Chatterjee entered the office where peon was standing with a glass of cold water.

“No water from today onwards”,

“See the key”, Mr. Chatterjee told smiling.

“You bought, Sir”.

“Did the dogs see you?” Peon asked exclaiming.

“Thank god, I finally got rid of them in the morning hrs”.

But, at night time those two dogs were on their regular visits to Mr. Chatterjee’s garden, to party and enjoy. Not having the glance of man in the morning, the dogs barked and howled more loudly. Suddenly Mr. Chatterjee came out with stick in hand and frightened them away. Day by day the grievousness to flee the dogs increased in him. The dogs were puzzled to not see the man in the morning; whereas Mr. Chatterjee passed the lane peacefully in his ‘Activa’.

One...Two...Three...Four... days passed, the dogs took no notice of Mr. Chatterjee. On the fifth day, when he was about to start one of the dogs noticed him while sitting behind the bush; he gave a loud bark to call his friend. As the scooter started both ran after him. Hereafter, this continued.

Panic- stricken Mr. Chatterjee discussed the matter with the peon.

“What?” “Again.”

“Oh, my God!”

“What are you telling”, the peon could not stop his laughter. He laughed tremendously at which Mr. Chatterjee got agitated.

“Now tell me, what shall I do?”

“Sir, they are frightened of stick. aren't they ?”

“You said, you drive them at night with stick”.

“So keep that stick with you always and whenever they chase, you scare them”, the peon said these words showing mirth with loud laugh. In a jovial mood he said to make fun.

The man took it more seriously.

From the next day onwards, Mr. Chatterjee keeps the stick in his ‘Activa’. As the dogs chase, he stops in a peaceful way, takes out the stick and frightens them away. When the dogs get swept away, out of his sight, Mr. Chatterjee starts his scooter and then proceeds for his office.

This became his routine work of keeping the stick, which according to him was the appropriate solution to the problem.

## राष्ट्रीय शिक्षा नीति 2020 में ऑनलाईन शिक्षण की आवश्यकता

राष्ट्रीय शिक्षा नीति 2020 शिक्षा के सभी पक्षों पर अपनी सुझाव रखी है इसमें ऑनलाईन शिक्षण भी एक महत्वपूर्ण पक्ष है। यह नीति मानती है कि राष्ट्र की भावी आवश्यकताओं को देखते हुए ऑफलाईन कक्षाओं के साथ-साथ ऑनलाईन कक्षाएं भी आवश्यक हैं इस तरह से एक मिश्रित मॉडल के निर्माण का सुझाव दिया गया है। इस नीति में बच्चों को अनेक भाषाओं को सीखने के लिए प्रेरित करने की बात की गई है। इन सबके लिए ऑनलाईन शिक्षण की आवश्यकताओं को भी रेखांकित किया गया है।

अन्य विषयों के विस्तार के लिए भी ऑनलाईन शिक्षण की आवश्यकता बतायी गई है। इस नीति में यह बताया गया है कि ऑनलाईन शिक्षण तभी सफल हो सकता है जब शिक्षक इसमें प्रशिक्षित हो और रुचिवाक हो। शिक्षकों की सुविधा के लिए एक ऑनलाईन डिजिटल प्लेटफॉर्म की आवश्यकता भी बतायी गई है जहाँ सामाग्री का उत्पादन संधारण और उसको शतत विकसित करने की बात की गई है। इस तरह से माध्यमिक स्तर के शिक्षकों पर राष्ट्रीय शिक्षा नीति यह दायित्व डालती है कि वे समय के साथ ऑनलाईन शिक्षण में दक्षता प्राप्त करें एवम् छात्रों को मिश्रित विधि से लाभान्वित करें जिससे अपात स्थिति में भी शिक्षा शतृत रूप चलता रहे।

 बंध गए है रूम की चार दिवारी में,  
 माँ तू होती तो कहती, जरा बाहर घूम ले।  
 वही कोशिश रोज खुश रहने की,  
 माँ तू होती तो मुस्कुरा लेते।  
 परेशानिया तो बहुत है यहाँ,  
 लेकिन मंजिल भी यहीं है माँ,  
 माँ तुझे बताते तो तुझे भी रुला देते।  
 बहुत दूर निकल आए है, घर से,  
 माँ तेरे सपनों की परवाह न होती तो  
 कबके, घर चले आए होते।  
 हॉस्टल के दिन, माँ के बिन।

## माँ तुम अपना खयाल रखना

माँ आज मैं आपसे दूर जा रही हूँ,  
अपने सपने को पूरा करने,  
आप हमेशा हँसना कभी उदास मत रहना,  
माँ सुनो तुम अपना खयाल रखना ।  
मैं आपसे दूर कहाँ रहूँगी,  
मैं तो हमेशा आपकी यादों में रहूँगी,  
कभी याद आए तो एक कॉल कर लेना,  
लेकिन माँ आप कभी उदास मत होगा अपना खयाल रखना।  
मैं जानती हूँ, खुद से ज्यादा चिंता आपको मेरी है,  
लेकिन आप ये यकीन करो मैं बिल्कुल अच्छे से रहूँगी।

माँ आप और पापा अपना अच्छे से खयाल रखना ।  
सुबह भी चाय और शाम की मैग्गी  
मेरे हाथों का बना अब तुम्हें बहुत याद आएगी,  
लेकिन माँ ये सब आप से ज़्यादा मुझे सताएंगी।  
और माँ तुम्हारे हाथों का वो टेस्टी खाना  
मेरा कभी-कभी देर तक सोने का वो बहाना  
फिर आपका वो डाट के जगाना,  
और फिर थोड़ी देर में ही प्यार से मनाना,  
ये सारी यादें मुझे सताएंगी ।  
बस माँ अपनी बेटी की एक छोटा सी बात  
याद रखना, आप दोनों मेरे से भी ज़्यादा अपना खयाल  
रखा।

## ईश्वर की आराधना

ईश्वर आज अवकाश पर है,  
न मंदिर की घंटी बजाइए

जो बैठा है बुढ़ा पार्क में,  
उसके साथ समय बिताइए

ईश्वर है, पिड़ित परिवार के साथ,  
जो अस्पताल में परेशान है,  
उस पिड़ित परिवार की मदद कर आइए,  
जो मर गया हो किसी के परिवार में कोई

उस परिवार को सांत्वना दे आइए,  
एक चौराहे पर खड़ा युवक काम की तलाश में,  
उसे रोजगार के अक्सर दिलाइए,

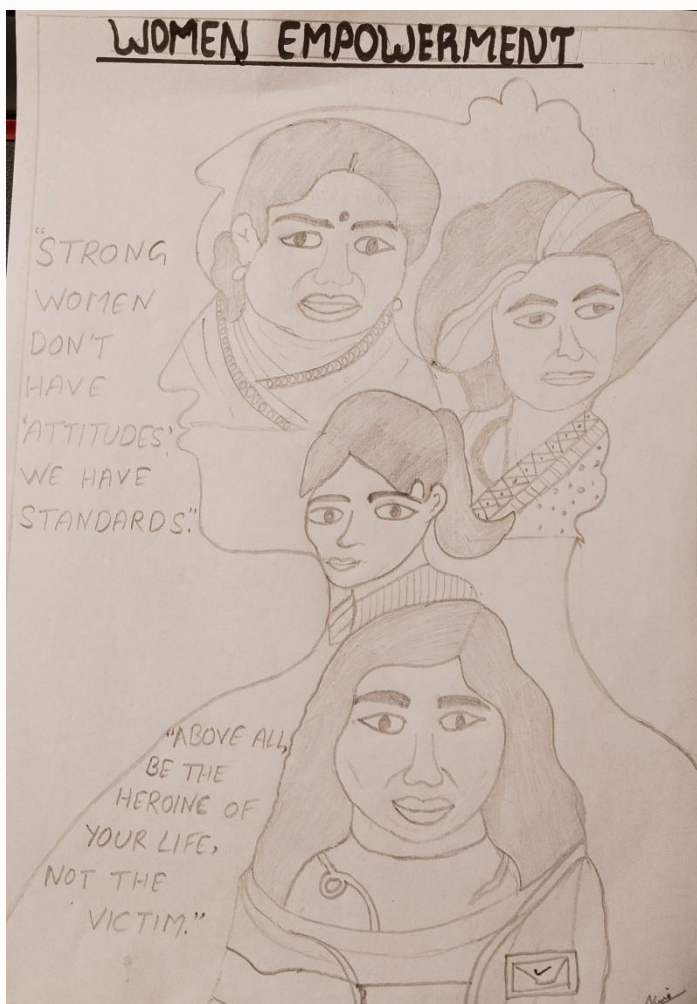

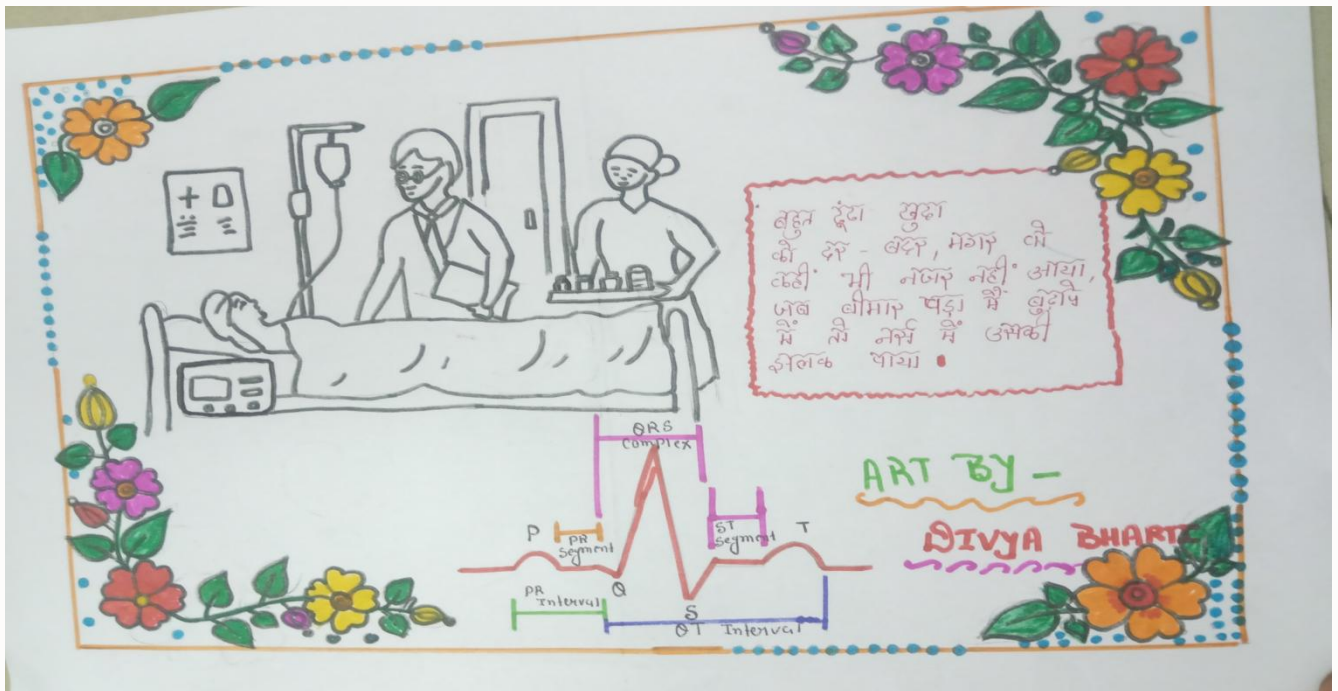

ईश्वर है, चाय की दुकान पर ,  
उस अनाथ बच्चे के साथ जो कप-प्लेट धो रहा है,  
पाल सकते हैं, पढ़ा सकते हैं, तो पढ़ाइए

एक बुढ़ी औरत जो दर-दर भटक रही है,  
एक अच्छा सा लिबास दिलाइए,  
हो सके तो किसी महिला आश्रम छोड़ आइए,

ईश्वर आज अवकाश पर है  
न मंदिर की घंटी बजाइए ।
