SPECTATOR

YBN University Bulletin

Vol. 2 Issue-III

***May-July* 2023**

From the Desk of CEO**Er. DEEPAK KUMAR**

Dear all,

I am experiencing great pleasure in noting the fantabulous growth of SPECTATOR since its birth in Jan 2022. Many editions came and it is continuously expanding with each edition. I congratulate the Editorial Team under the leadership of Dr. Arti Gupta for their dedication and hard work towards SPECTATOR in making it a huge success. And, I expect many more to come in future.

Education at YBN University is neither just about brilliance nor a consistent return, but an ambience where culture and human skills meet together. Our core competency is our excellent faculty members with a strong combination of research and academic team. Alliances with the well recognized institutions/companies reflect our excellence in higher education. YBN University undertook a series of reforming exercises to become what it is today. I welcome all students to YBN University to experience the difference, to realize and enhance their potential. Best Wishes to all!!!

From the Desk of Editor-in-Chief**Dr. ARTI GUPTA**

Dear Readers,

Greetings of the day!!!

We are back with the new edition. Though the events of high importance kept us all busy but we are never too far away, not to reach our readers. SPECTATOR right from the origin has been bringing forth rainbow of activities of our talented young minds. With every edition or the next, the Editorial Team endeavors to add a new column. And, I promise you won't be disappointed in the present edition also. A much awaited column of Ph.D Award Recipients is being added. Then, the edition has a table talk with the most respectable Dr. Vishnu Priye, Director, IIT-Ranchi. Campus activities will never disappoint.

I extend my heartfelt gratitude to all faculty and students who come forward with their programs and add a flavoursome taste to the section. I am also grateful to my team- Editorial Board Members for their endeavor and dedication. We hope going through this edition is as enjoyable for you as it is for us in bringing forth to you.

So, here the Vol. 2 Issue III is in your hand. I hope you all will enjoy reading it.

---: कुलगीत :---

यह कुलगीत पुष्प सुमन का
गुरु चरणों में अर्पित करते हैं।
वाई0बी0एन0 विश्वविद्यालय प्रांगण को
नित्य कोटी-कोटी वंदन करते हैं।

यह कुलगीत पुष्प सुमन का
गुरु चरणों में अर्पित करते हैं।
वाई0बी0एन0 विश्वविद्यालय प्रांगण को
नित्य कोटी-कोटी वंदन करते हैं।

जहाँ ज्ञान सृष्टि की होती रचना
गुरु शिष्य सपनों की साधना
जहाँ नित्य सारगर्भित विज्ञान और संरचना
कर माँ सरस्वती की संकल्प आराधना
गुरु, माता-पिता हिय पूर्वजों की वात्सल्य उपासना।

बिरसा की यह पावन धरती
सिद्धू - कान्हू की मन - भावन धरती

हम वाई0बी0एन0, ज्ञान की आशा
अज्ञान का त्याज्य हूँ।
गूढ़ी के लाल को गढ़ने वाला
झारखण्ड का सुप्रभात हूँ।

यह कुलगीत पुष्प सुमन का
गुरु चरणों में अर्पित करते हैं।
वाई0बी0एन0 विश्वविद्यालय प्रांगण को
नित्य कोटी-कोटी वंदन करते हैं।

संथाल, उराँव, मुंडा के शिक्षा के साथ
यह विश्वविद्यालय बढ़ता रहे
आदर्श मौलिकता की सीढ़ियाँ सदैव चढ़ता रहे।

हम ज्ञान का चिर दीप
चरण कण-कण छू-छू कर
पिता श्री वैद्यनाथ यादव जी की कृति
कर्मठ तन मैं निर्मल मन का
माता श्रीमती कलावती का आश हूँ।
अपने सभी छात्र-छात्राओं के भविष्य
का एक मात्र विश्वास हूँ।

यह कुलगीत पुष्प सुमन का
गुरु चरणों में अर्पित करते हैं।
वाई0बी0एन0 विश्वविद्यालय प्रांगण को,
नित्य कोटी-कोटी वंदन करते हैं।

संजय कु0 तिवारी
पूर्व उपकलसचिव

Dr. Vishnu Priye
Director
IIIT , Ranchi

He is the **Director** of **Indian Institute of Information Technology (IIIT) Ranchi**, which was established in year 2016 as an 'Institute of Information Technology' under the act of Parliament' is a dynamic personality with rich experience in academics and administration. Since July 20, 2018, he is the Director of Indian Institute of Technology (ISM) Dhanbad where he is working in the field of Electronics Engineering.

From July 30, 2018, he was Dean (Research & Development) of IIIT Ranchi and in-charge of the administration. During his period the resource mobilization reached about Rs 24 crores. There were more than 10 MoUs signed by him on behalf of the Institute with various International Universities and Industries. He was deeply involved with other core members and Director, IIT(ISM) Dhanbad, in bringing out major changes that resulted in conversion of Indian School of Mines Dhanbad into Indian Institute of Technology on September 6, 2017. He became the first Dean (R & D) of IIT(ISM) Dhanbad. For a brief period, he was in additional charge of Dean (Faculty & Planning).

Dr. Vishnu Priye was Head, Department of Electronics Engineering, IIT(ISM) Dhanbad from August 13, 2012 to December 31, 2014 where his main focus was to interact with core industries in electronics. Due to the interactions, companies like National Instruments and Texas instruments interacted with students and gave pre-placement offers to couple of them. He played a major role in obtaining 'Fund for Improvement of S & T Infrastructure (FIST)' project of Rs 1.10 crores from Department of Science and Technology (DST), Government of India. He was also instrumental as Head of the Department in establishment of Centre of Renewable Energy. He was the General Chair of 'International Conference on Microwave & Photonics ICMAP' organized in years 2013 and 2015.

With a prolific teaching experience, he has mentored 17 research scholars as supervisor culminating into the award of Ph.D. degree and 3 scholars are presently registered for Ph.D under him. He has over hundred publications of which over 35 are in SCI/SCIE indexed international journals.

Dr. Vishnu Priye received 'Best Researcher Award of ISM' for Year 2014 from then Honorable Minister of HRD – Madam Smriti Zubin Irani. As Principal Investigator (PI), he has procured and completed R & D Projects of over Rs 1 crore sponsored by Ministry of Information Communication Technology and Ministry of HRD, in areas of Erbium Doped Fiber (EDF) Amplifiers and EDF Multiwavelength Tunable Source. Currently, he is PI of Department of Science & Technology (DST) project on 'Optical Weighbridge'. Apart from R & D Projects, he was Consultant in Charge (CI) of Professional Development Programs (PDP) for participants from Industry and Academia generating a revenue of over Rs 8 lakhs.

In Phase 1 of Technical Education Quality Improvement Program (TEQIP – 1) of Government of India, he was selected as 'Performance Auditor/Mentor' by State Project Facilitation Unit (SPFU) and National Project Implementation Unit (NPIU). He contributed constructively for institutes like BIT Sindri, Ranchi Polytechnic and Dumka Polytechnic under SPFU and NIT Jamshedpur under NPIU. He is a Senior Member, IEEE, Member, OSA, Member, SPIE and Fellow OSI and Indian Institution of Engineers. Also, he is a Faculty Advisor, Students' Chapters of OSA and SPIE.

He completed his Ph.D (Year 1990) in Fiber Optics from Indian Institute of Technology, Delhi and D.Engg.(Year 1996) in Electronics & Information Science from Kyoto Institute of Technology, Kyoto, Japan. He has been Visiting Professor at Kyoto Institute of Technology, Kyoto, Japan (June 1 to August 31, 2000), University of Colorado, Boulder, USA (June 1 to August 31, 2013), City University, London, UK (June 15 to July 15, 2015), and Aarhus University, Herning, Denmark (June 1 to July 15, 2018).

Dr. Vishnu Priye's dedication and commitment towards his work is unparalleled.

It's a proud moment for the Editorial team of SPECTATOR that we got an opportunity to interact with him for this section.

Let's Start

Mr. Amit : What inclined you to adopt this career?

Dr Vishnu Priye : Two things basically – Firstly, independence in your work and secondly you are exposed to new areas of knowledge in their nascent stage. For example, I worked on Fiber optic communication which was known to very few but now a kid knows about fiber connectivity and data rate it supports. Directorship and administration were part of journey but never a destination

Mr. Amit : Because this a very responsible task, how do you manage?

Dr Vishnu Priye : Teaching & Research job is a passion so they are auto managed. Directorship is managed due to experiences I had during my tenure as HoD and Dean at IIT (ISM) Dhanbad. Common sense and doing proper homework also helps in taking quick and correct decisions.

Mr. Amit : What is the biggest challenge at your job? How do you approach them?

Dr Vishnu Priye : As the founder Director of IIIT Ranchi is to get job done by young faculty and staff. Most of the time I have to spell out clear cut instructions, provide ample freedom to execute and with reasonable time line.

Mr. Amit : According to you what is the key to developing a good team?

Dr Vishnu Priye : The key is to understand the strength and weakness of the team members and assign challenges accordingly. Every player should cover other players back and should understand that team is greater than the individual.

Mr. Amit : Give me an example of when you thought outside of the box. How did it help your Faculty?

Dr Vishnu Priye : Establishing Research Cells were one that brought the best in the faculty in terms of research and academic output. Identifying motto 3 D for the institute so that IIIT Ranchi can orient it's effort in Data Science, Digital Technology and Design Thinking. In coming 10 years IIIT Ranchi will be the hub in East India in these 3 areas.

Mr. Amit : How do you manage your personal and professional life?

Dr Vishnu Priye : By keeping it simple and not mixing the two. I take care of my professional life and my spouse takes care of my personal life.

Mr. Amit : What can you tell us about your experience about the IIIT?

Dr Vishnu Priye : Overall fabulous. Interacting with young recruits, deciding and implementing 5 years roadmap, and seeing an institute of national importance to take shape from scratch was really thrilling. Placement package of Rs 83.38 lakhs and Hon'ble President of India, Governor of Jharkhand and CM of Jharkhand gracing the 2nd Convocation has given fillip to credentials of IIIT Ranchi and individual pride to me and my team mates.

Mr. Amit : 65 acres of land has been given in Sanga village of Kanke for the new permanent campus of IIIT. Tell us something about that?

Dr Vishnu Priye : In 65 acres 52 acres was the major chunk of land and the remaining chunk was about 3 kms away with no access. In Phase I, focus is on developing the major portion of land. Boundary wall is complete and construction work has started by CPWD.

Mr. Amit : Last year Computer Science student Ekta Kumari got an annual package of 46 lakh rupees from Amazon company, what is the highest expectation of package in placement this year?

Dr Vishnu Priye : This year 12 students are selected in Amazon with a package of ~ 45 lakhs. Another student broke all records by getting placed in Atlassian for a package of Rs 83.38 lakhs. Placement scenario is very promising with few students bagging more than one job.

Mr. Amit : What skills are required in your position on a day-to-day basis?

Dr Vishnu Priye :

- Making a practical and executable goals for the day
- Positive mental state
- Quick decisions
- Time management

These four have worked for me till date.

Mr. Amit : How do you evaluate success?

Dr Vishnu Priye : A very relative term. If for a person, [Achievement \geq (Talent + hard work + circumstances)], he can be termed successful.

Mr. Amit : Lack of teachers and promotion is the main problem of the education sector; how will it be solved?

Dr Vishnu Priye : More than lack of teachers, there is a lack of passionate teachers and apathy of employers in the private sector. Education Sector is booming now. University Authority should give salaries equivalent to government college and provide research facilities for their growth. If faculty grows, institute grows as it attracts more students and is also able to make a niche in NIRF ranking. Promotion policy should be made on performance in Academics, Research and Administrative contributions.

The solution is understanding that teachers are backbone of the organization and administration is there to support them perform to the best of their capabilities. For me, status of faculty is much more than that of a Director as we are just facilitators.

Mr. Amit : How have you met your life partner? How did you know that she is right for you?

Dr Vishnu Priye : I met my life partner on the day of engagement. I trusted God and played the gamble. As the years unfolded, the gamble proved to be right. She has been a pillar of strength for me and we have thoroughly enjoyed the ups and downs of life - journey spanning 36 years.

Mr. Amit : A faculty member approaches you with a serious problem. How do you proceed and solve it?

Dr Vishnu Priye : I am a good researcher and very good at problem solving. Problems are solved in 3 steps – listening carefully to the problem, judging the seriousness of the problem and executing measures to mitigate and solve the problem.

Mr. Amit : : How did you come to know about YBN University? Have you ever visited YBNU?

Dr Vishnu Priye : I do not know how YBNU came to know about me. I came to know YBNU through young and talented Er.Vinita of YBNU. Yes, I have visited once and given a talk also on behest and persuasion of Er. Vinita.

Mr. Amit : Please give a message to students of YBN University?

Dr Vishnu Priye : My message is loud and clear. Use these years of University to acquire and develop multi-skills. Skills, hard work and good behavior help you climb the ladder of success like nothing else can do.

Thank you soo... much Sir for your active participation and giving your valuable Time.

:Session covered by : Mr. Amit Kumar, P.R.O., YBN University, Ranchi-10

*If you love life, don't waste time.
For time is what life is made up of.*

Visit of Ms. Mamta Kumari

Member, National Commission for Women

On 3rd May 2023, YBN University witnessed the graceful presence of **Ms. Mamta Kumari, Member, National Commission for Women, Govt. of India**. A grand traditional welcome of the honorable guest was done in the Tribal College of Nursing, YBN University. The lighting of the auspicious lamp was followed by the felicitation of the guest by Mr. Ramjee Yadav, Pro-Chancellor and Mrs Anju Yadav, Chairperson, YBN University. Cultural program was organized by the students of Tribal College of Nursing. The achievements of the College was shown through ppt. Later the honorable guest visited the premises of YBN University. Addressing all she motivated them towards women empowerment especially focusing on the need and importance. She was delighted to see the strength of female working faculty/staff and also female students. All the teaching and non-teaching staff of YBN University extended warm welcome and was thankful to Ms. Mamta Kumara for her visit. The visit ended with a happy note with a formal vote of thanks by Er. Deepak Kumar, CEO, YBN University. The whole program was coordinated meticulously by Dr. A Sumathy, Dean Nursing cum Principal, Tribal College of Nursing.

Sansad Cultural Festival **Tribal College of Nursing**

Tribal College of Nursing participated in the Sansad Cultural Festival 2023 on 5th May 2023 at Aryabhatta Auditorium Ranchi University. Two groups from YBN University participated, first group performed Tribetiya Folk Dance (Shaila & Group) with Team Leader Kumari Ritu Dhaan and second group performed Folk Dance (Nishi Nikita & Group) with Team Leader Miss Smita Soren. Event was organized to display the cultural dexterity and to nourish the spirit with splendiferous palette of multi-flavor. Dr. A. Sumathy Dean, Nursing Cum Principal, Tribal College of Nursiong, YBN University; Sanjay Tiwari, Deputy Registrar YBN University, Dr. Misfika Hasan, Coordinator of Unnat Bharat Abhiyan actively participated in the festival under the guidance of Mr. Baidyanath Yadav, YBN University Chancellor. It was a memorable moment for the students of T.C.N. YBN University to be on such a big platform.

District Yuva Utsava

To celebrate 'Azadi Ka Amrit Mahotsav' in the spirit of Yuva Shakti, Nehru Yuva Kendra Sangathan (NYKS), Ministry of Youth Affairs and Sports, Government of India, organized 'Yuva Utsava' at Ram Krish Mission Auditorium Ranchi on 6th May 2023 in which 17 students of YBN University, Ranchi participated in different competitions. The participation of the students was coordinated by Er. Kausal Kishor, NSS Coordinator, YBN University. Er. Deepak Kumar CEO, YBN University encouraged the students. He said this is proud moment for YBN University.

FOOD FEST

YBN College for Teacher Education

Students of YBN College for Teacher Education organized a food fest on 10th May 2023 in the Kawali Campus of YBN University. The program was presided over by Dr. Anamika Singh, Asst. Prof., YBN College for Teacher Education. Students took part enthusiastically captivating everyone's attraction towards their stalls. The dishes of Gujarat Group, Tamil Nadu Group, Jharkhand Group, Maharashtra Group, West Bengal Group, Bihar Group, Delhi Group, Odisha Group, Rajasthan Group and Punjab Group attracted everyone along with stalls decoration, cleanliness, depicting hospitality and also culture of the state. The Chief Guest Hon'ble Mr. Ramji Yadav, Pro-Chancellor Cum Chairman, YBN University inaugurated the fest by cutting the ribbon. Mr. Deepak Kumar, CEO appraising students said that all of them have made a great effort. It will be tough to decide the winners. Among the judge's panel were Dr. Kamal Kant Patra, Asst. Registrar(Acad.). Dr. Arti Gupta, Dean, School of Arts & Humanities and Dr. Anjani Kumar Singh, Dean, School of Engg. & Technology. The results were declared not only for the delicious food but also keeping in mind the gesture, behavior, skill, presentation and the group involvement. The first prize was bagged by **Tamil Nadu Group**, the second was **Gujarat Group** and the third prize was stolen by **Delhi Group**. Dr. Kailashnath Singh, HOD motivated the students and appreciated their work. Food fest ended in a happy note.

Quiz Competition, NSS

An Inter-College (under YBN University) quiz competition was organized by NSS on 10th May 2023 in the premises of YBN University. The program started with NSS Song. The program was coordinated by Mr. Lalatendu Bidyadhar Sahoo & Ms. Suruchi Gupta under the mentorship of Er. Kaushal Kishor NSS Co-ordinator. Many students participated enthusiastically on this competition which contained questions from diversified topics. The winners → 1st position -Manish and group, 2nd position -Vinay and group, & 3rd position - Chandan and group the certificate was given the team of NSS coordinators. The event closed with formal vote of thanks by Er. Kaushal Kishor, NSS Coordinator.

International Nurses Day, MKI

On the occasion of International Nurse Day 12th May 2023 program was organized by Maa Kalawati Institute of Health Education and Research Centre, YBN University in its premises. Program started by welcoming of Guest, then Lamp Lighting by the guests. The students of MKI actively participated and tried to depict the contribution that nurses make to society.. The welcome speech was delivered by Dr. A Sumathy, Dean Nursing who motivated students towards the profession explaining the importance and contribution of nurses across the world. The whole program was successfully coordinated by Ms. Shabnam and Ms. Sunita of MKI. Before closing a formal vote of thanks was also delivered by them.

International Nurses Day, TCN

On 12th May 2023, the students and faculty of Tribal College of Nursing, YBN University also celebrated International Nurses Day in the Sidrol Campus. The event started with lightening of lamp by the auspicious hands of dignitaries and invited heads of YBN University, Ranchi. The program was presided over by Dr. A. Sumathy, Dean Nursing cum Principal T.C.N., co-administrators were - Mrs. Suprya Baxla, Mrs. Dipti Shikha Kumari, Mrs. K. Karthika, Ms. Ritu Dhan, Ms. Smita Soreng, and Mrs. Debardrita Ganguly. The welcome speech was delivered by Mrs. Supriya Baxla. The students performed various cultural items and rejoiced by cutting of cake.

Training- Agriculture, JMTTC, Ranchi

From 4th May to 15th May 2023, the students of B.Sc VIII Semester undertook Industrial training from Jharkhand Agriculture Machinery Tools & Training. Dr. Arpana Sharma, Associate Dean, School of Agricultural and Animal Husbandry Cum DSW, YBN University, Ranchi co-ordinated the training. The students received training under the guidance of Mr. R. P. Singh Director, JAMTTC- Ranchi and Agriculture Engineer on different kind of hi-tech agriculture machines and the skills to operate them dexterously as Agro Industrial attachment as per JAMTTC. Training Completion Certificate was provided to all trainees on successful completion of the same.

Drama Competition on Mother's Day, NSS

On 14th May, 2023 on the occasion of Mother's Day NSS team of YBN University organized a drama competition dedicated to all mothers in the Kawali Campus of YBN University. The program was coordinated by Suman Kumari NSS, Program Officer under the able guidance of NSS Program Coordinator cum District Nodal Officer Er. Kaushal Kishore. Chief guest Deputy Registrar Sanjay Tiwari while addressing the volunteers said that this day is dedicated to every mother. Not just a day every day is mother's day. The cooperation of Dr. Kailash Nath, Miss Sangeeta Gope, Sandeep Anand and Subhasish Sinha of YBN College for Teacher Education in the program was commendable. In this competition Anjana and group bagged first position, Sudhanshu and group got second position and Urmila and group came in the third position.

World Environment Day, NSS

World Environment Day was administered by NSS wing of YBN University, Ranchi on 5th June 2023. Its main objective was to make everyone aware to protect the environment. Pledge was taken by all NSS members and its volunteers which is as follows.

"On the occasion of World Environment Day, I pledge to take full responsibility of reducing plastic consumption by more than half. I pledge to use natural and eco-friendly products instead of plastic."

RAWE Training Program, Deoghar

All students of B.Sc Agriculture (Hons.) Sem. VIIIth (2019-23) School of Agriculture & Animal Husbandry, YBN University, Ranchi undertook training of “Rural Agricultural Work Experience (RAWE)” at Krishi Vigyan Kendra Deoghar for three month 1st February 2023 to 30th May 2023. The students received training under the supervision of Dr. Vivek Kashyap, Senior Scientist, KVK Deoghar, Dr. Shawn Chakraborty, Senior Scientist, KVK Deoghar and Dr. Poonam Soren, Senior Scientist KVK Deoghar. There are number of techniques to acquaint with the rural living agriculture development, commercial agriculture & different farmer’s development. The training was co-ordinated by Dr. Arpana Sharma, Associate Dean, School of Agriculture and Animal Husbandry, YBN University.

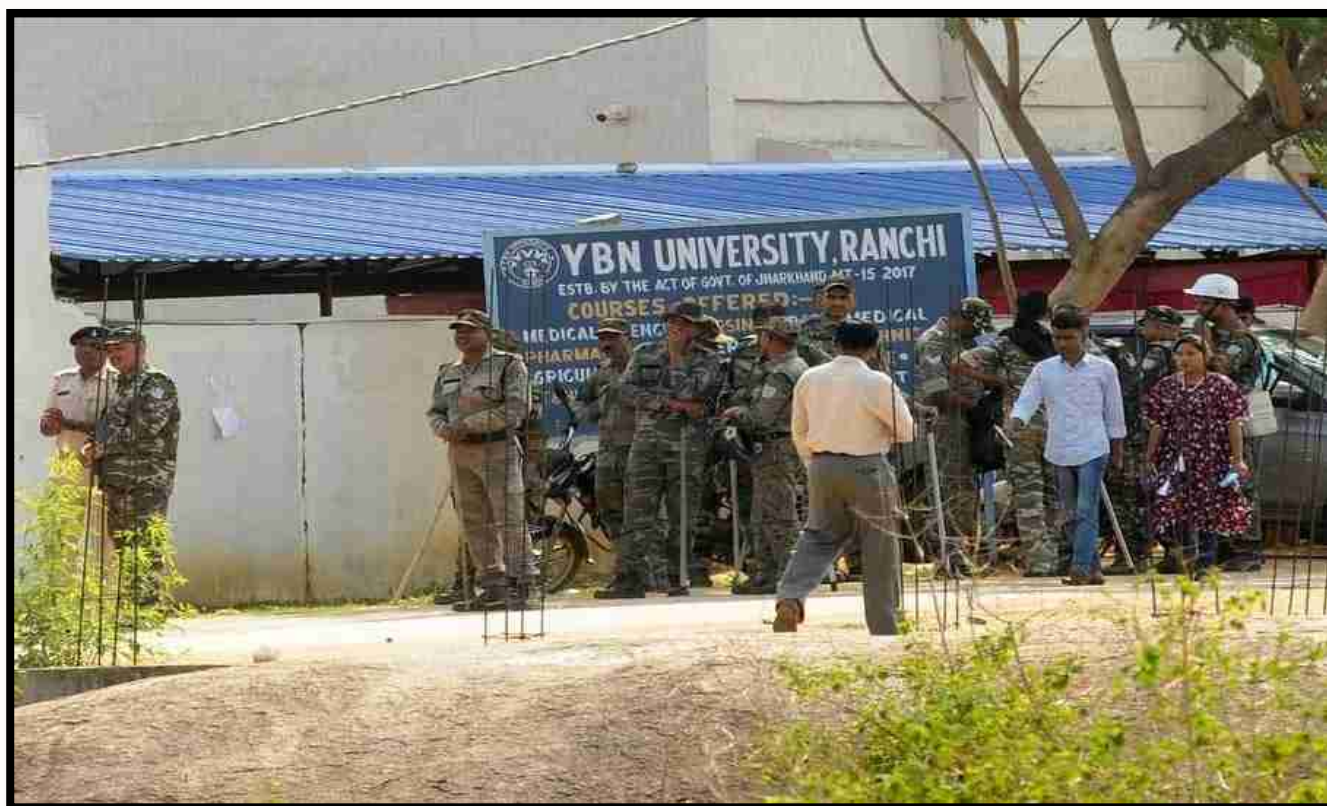

YBN University administered **State DIPLOMA IN PHARMACY EXAMINATION**

Department of Health, Medical Education and Family Welfare, Government of Jharkhand choose YBN University to act as exam center and conduct State Diploma in Pharmacy Examination 2023. YBN University took cognizance of this and successfully conducted exams from 29th May 2023 to 9th June 2023 complying the laid down protocols and guidelines by the Examination Committee.

A total of 5970 examinees undertook examination, in which 3070 students appeared for the first year and 2900 students appeared for the final year examination who belonged to colleges across the state. However, on the third day of exam appearing students staged an agitation at the examination centre accusing the institution of allowing malpractice. As the students resorted to stone pelting and damaged the university's assets, Nankum police arrived at the spot and used force to control the situation. Addressing the media, ASP M. Rajpurohit said, " Since the mob was aggressive police had to use force. As per the verified information (video footage) candidates sitting in separate rooms were pregnant ladies and physically challenged persons. Their question papers were distributed late due to some reasons, as such they were given extra 20 min. The other students, however, failed to understand it."

Dr. Chandrajeet Kumar, Centre Superintendent, Examination said that rest of the exam was conducted successfully in a strict malpractice free environment. Er. Deepak Kumar, Chief Executive Officer, YBN University expressed his gratitude to Department of Health, Medical Education and Family Welfare, Government of Jharkhand for assigning such a big responsibility to YBN University. He thanked the administration, Jharkhand for their co-operation in maintaining the discipline. He also expressed his thankfulness to the examination committee and all academic and non-academic employees of YBN University for their full co-operation and dedication in the successful conduct of exam.

Dance, Music and Poetry Recitation

A grand event of *Dance, Music and Poetry Recitation* was organized under the School of Art's & Humanities of YBN University, Ranchi on 16th June 2023. The program commenced with the welcome of guest and by the lamp lighting of the Ceremonial Lamp followed by Saraswati Vandana. Swaroopa Podder, Sangeetayan Academy, Kolkata, enthralled the audience with many scintillating dance, music and song presentations.

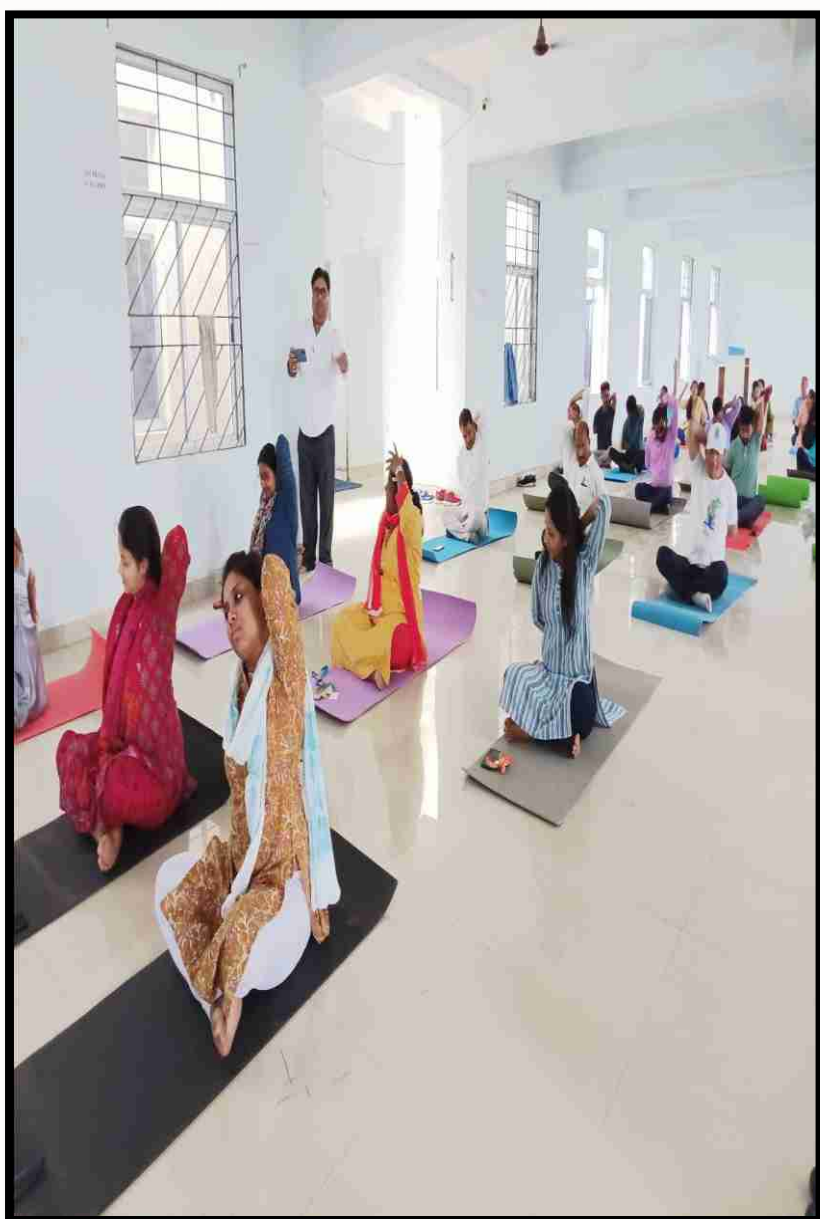

Addressing all Mr. Ramji Yadav, Chairman said that the art of dance and singing has been going on since ancient times. Further he said that, there is talent within the youth, they just need to be given a platform. Dr. Sanjay Kumar, Head, Univ. Department of Hindi mesmerized the crowd with his hosting Skills & Poem. All the dignitaries of YBN University were present. At the end of the program vote of thanks was delivered by Dr. Arti Gupta, Dean, School of Art's & Humanities. The audience presents in the auditorium applauded the performance and enjoyed it thoroughly.

INTERNATIONAL YOGA DAY, NSS

Meditation rejuvenates the body and mind. With this aim NSS Wing of YBN University celebrated Yoga Day on 21st June 2023. And in this sequence, today under the aegis of Ayush Jharkhand, about 100 employees and 400 students of YBN University celebrated the 9th International Yoga Day at Macon Stadium. The theme being “Yoga for Vasudhaiva Kutumbakam” or ‘Yoga for Welfare of All as One World One Family.’

On the same day the remaining faculty/staff and students practiced Yoga in the premises of YBN University. On the occasion, Pro-Chancellor Mr. Ramjee Yadav said that you can stay away from many diseases, make yourself mentally and physically strong by practicing yoga. The program was managed and co-ordinated by Er. Kaushal Kishor, NSS Co-ordinated, Dr. Anjani Kumar Singh, NSS Program Manager and Dr. Arpana Sharma, DSW, YBN University.

It ended successfully with a formal vote of thanks by Prof.(Dr.) S.P.Yadav, Vice-Chancellor, YBN University.

Upliftment of Primitive Tribes/Scheduled Castes of Jharkhand

Ravindra Kumar Paswan

Educational level and the economic soundness are the hallmarks of the social status of any class. It broadens people outlook on themselves and the world around them. It enhances their quality of life and provide a variety of social benefits to both people and society. YBN University is keenly extending its hands for the upliftment of Scheduled Castes under the ageis of Special Central Assistance to Scheduled Caste Sub Plan (SCA to SCSP) by giving them proper education and then ensuring their proper placement.

RAVINDRA KUMAR PASWAN a boy of Dalit community classified as a Scheduled Caste under modern India, a student of **Maa Kalawati Institute Of health Education & Research Center , YBN University** successfully cleared the course and is at present working in Oncology department as a X- Ray technician in **Rajendra Institute of Medical Sciences, Ranchi**. RAVINDRA KUMAR PASWAN, son of BALDHANI PASWAN, a resident of Vill+Po Pachadumar, PS -Ketar, Dist- Garhwa, Jharkhand was the student of Maa Kalawati Institute Of health Education & Research Center , YBN University of 2017-19 batch. By the exemplary and commendable initiative and effort of **Mr. Dharmendra Kumar Thakur**, Incharge Paramedical, YBN University this was made possible.

It was a great achievement for RAVINDRA KUMAR PASWAN as a boys of Scheduled Castes despite best efforts are deprived from study. His parents thanked Mr. Ramjee Yadav, Pro-Chancellor cum Chairman, YBN University saying their guidance and support inspired RAVINDRA KUMAR PASWAN to achieve success and this will further inspire other children of their community. Mr. Ramjee Yadav, Chairman, YBN University said, *"We provide all assistance, guidance and support to children of Scheduled Castes of Jharkhand to pursue education and look forward for their placement. This is to uplift the family and fill the gap in society"*

Heartiest Congratulations to RAVINDRA KUMAR PASWAN a student of YBN University for his notable success and wish him a bright future ahead

EXPRESSIONS

“ सावन ”

सावन का महीना हिन्दू धार्मिक कैलेण्डर का 5वां महीना और हिन्दू आस्था से जुड़ा एक पवित्र महीना होता है। सावन के महीने को हिन्दू धार्मिकों में बेहद खास माना जाता है। इस माह में भगवान शिव की पूजा की जाती है। पौराणिक मान्यता के अनुसार, पार्वती जी ने शिव जी को प्रसन्न करने के लिए कई वर्षों तक कठोर तप किया था। वो श्रावण का महीना ही था, जब शिव जी ने प्रसन्न होकर उन्हें दर्शन दिए और उन्हें पत्नी के तौर पर स्वीकार किया। इसके बाद दोनों का विवाह महाशिवरात्रि पर कराया गया। माता पार्वती से मिलन के कारण ये माह शिव जी को बेहद प्रिय है। मान्यता है कि इस माह में जो भी भक्त उनकी पूरी श्रद्धा और भक्ति से पूजा अर्चना करता है, महादेव उसकी कामना को जरूर पूरा करते हैं। यही वजह है कि सावन आते ही मंदिरों में भक्तों की कतार लग जाती है।

झारखंड के देवघर में एक प्रसिद्ध मंदिर है। शिव का एक नाम 'वैद्यनाथ' भी है, इस कारण लोग इसे 'वैद्यनाथ धाम' भी कहते हैं। यह एक सिद्धपीठ है। इस कारण इस लिंग को "कामना लिंग" भी कहा जाता है। इसके अलावा अंगराबारी-शिव मंदिर प्रसिद्ध धार्मिक केंद्र है जो अपने शिव मंदिर के लिए जाना जाता है। हर साल सावन में स्थानीय एवं दूर दर्ज से लोग यहाँ जल चढ़ाने आते हैं। यह जिला मुख्यालय से 9 किमी दूर खूँटी-तोरपा रोड पर स्थित है। झारखंड की राजधानी रांची में आस्था का बड़ा केंद्र पहाड़ी मंदिर है। इस पहाड़ी पर भगवान का शिव मंदिर है। यहां भी काफी संख्या में भीड़ उमड़ती है। राजधानी रांची के नामकोम में स्थित है मराशिलि पहाड़ मंदिर रातों-रात अपने आप बना है। इस मंदिर में 4 दरवाजे हैं। कोई नहीं जानता इस मंदिर को किसने और कब बनवाया है। यहां का शिवलिंग स्वमभू है, जिस वजह से इसकी काफी मान्यताएं हैं। और रांची के चुटिया स्थित सुरेश्वरधाम में शिवलिंग देश के दूसरे सबसे बड़े शिवलिंग है। मंदिर को बनाने में 10 साल का समय लगा है। शंखनाद होने पर मंदिर के अंदर शंख की आवाज करीब एक मिनट तक गूंजती है। इस शिव लिंग पर एक साथ 50 लोग जल अर्पण कर सकते हैं। गौरतलब है कि ये शिवलिंग कर्नाटक स्थित कौटिल्य लिंगेश्वर मंदिर जितना ऊंचा है। इस सब स्थलों पर रांची के कौने-कौने से जैसे धुर्वा, हटिया, बूटी मोर वहीं अन्य जिले जैसे

गुड्डा, चाईबासा, धनबाद, बोकारो, जमशेदपुर, सरायकेला खरसावां से भी लोग यहां जल चढ़ाने आते हैं।

सावन का महीने में हरे रंग का खास महत्व है। हरे रंग को प्रकृति का रंग माना गया है। सावन महीने के शुरू होते ही चारों तरफ हरियाली ही हरियाली नजर आने लगती है। झमाझम बारिश से मौसम भी सुहाना हो जाता है। सावन महीने में सुहागिनों का खास पर्व हरियाली तीज भी होता है। वर्षाऋतु में रक्षा बंधन भी होता है। सावन के पवित्र महीने में महिलायें मेहंदी लगाती, झूला झूलती और श्रृंगार कर हरी-हरी चूड़ियां पहनती हैं। भोलेनाथ और प्रकृति के बीच गहरा संबंध माना गया है। भोलेबाबा का वास भी प्रकृति की गोद हिमालय में है। इस वजह से सावन में हरे रंग का खास महत्व है।

इस माह में शिवलिंग पर जल जरूर अर्पित करना चाहिए। इस महीने फल, फूल और बेलपत्र शिवलिंग पर चढ़ाने से भगवान भोलेनाथ प्रसन्न होते हैं। अगर कुछ भी ना हो तो केवल मात्र एक लोटा जल चढ़ा देने से ही भगवान भोलेनाथ प्रसन्न हो जाते हैं। जल चढ़ाने से पहले पंचामृत चढ़ाना भी अच्छा माना जाता है। इस माह में दूध का दान करने से भी भगवान भोलेनाथ प्रसन्न होते हैं। इस माह में गाय और बैल की सेवा करना भी उत्तम माना गया है। सावन के महीने में सावन का व्रत रखने से भी भोलेनाथ को प्रसन्न होते हैं। भगवान भोलेनाथ के साथ माता पार्वती की भी पूजा करनी चाहिए। इस माह में गरीबों की सेवा भी करनी चाहिए उन्हें भोजन कपड़े आदि दान करने से भी भगवान भोलेनाथ प्रसन्न होते हैं।

कुछ बात जो सावन के महीने में नहीं करना चाहिए जैसे दिन के समय नहीं सोना चाहिए। शिवलिंग पर केतकी का फूल भी नहीं चढ़ाना चाहिए। सावन के महीने में भूलकर भी मांस, मदिरा का सेवन नहीं करना चाहिए। सावन के महीने में लहसुन, प्याज और बैंगन खाने से भी बचना चाहिए। सावन के पवित्र माह में शिवलिंग पर दूध अर्पित किया जाता है। ऐसे में इस महीने कच्चे दूध का सेवन करने से बचना चाहिए।

How Can the First Year of a Student be amazing?

The initial few weeks of undergraduate education should be a student's springboard into an academic career. But some students vanish even before colleges know that they are there. Student retention has long been a focus of educational research and campus interventions, but few people have examined the earliest stages of a student's academic life which is changing. A large number of researchers are scrutinizing students' early experiences on campus and devising interventions to simplify curricula requirements, increase the sense of belonging, and provide intensive advising during the first year. With the help from different organizations, those colleges are developing new ways to support students at risk of stopping out or leaving early without a degree. Many break off students are minoritized and the first in their family to go to college.

Several organizations that are working closely with colleges to improve educational interventions early in students' academic lives. The key question is "how do we onboard, support, and transit students into, through and then out of the first year, and revamp it in a manner so all the students can succeed here?" According to an expert, the family income, and dream job determine which students will succeed in higher education. It has been noticed that colleges have increased transparency on areas where composite course requirements prevent students from advancing into the substantive courses of a major. It also offers colleges more insight into opportunities to implement early interventions and to improve the educational success of its students. Colleges have often assumed that the students who failed few subjects or courses were simply not smart or hardworking enough to pass them.

Many students coming from poorly resourced high schools were often declared not "smart enough" and assigned to do remedial lessons. One new approach is to give students instruction in development material. I think orientations and other onboarding workshops for students should also be mandatory, not to be draconian but because otherwise the students most at risk will not attend.

Embedded peer support can make an improvement in first- and second-year retention rates.

The schools and colleges have to work on “Caring Campus,” which seeks behavioural commitments from faculty and staff members to show students they are part of a caring community. The behavioural commitments are disarmingly simple and all based on research into the practices of teachers who have a track record of keeping their students in schools or colleges. One commitment, for example, is to learn students’ preferred names and use them. Another key suggestions, such as creating “moments that matter” by having instructors engage students one on-one to learn about their lives.

Teachers should also consider changing the name of “office hours” to “student hours,” so students realize they are not interrupting the teacher’s work but are the central reason the teacher is there. One of the Caring Campus principles is situational fairness which encourages teachers to treat the students individually when they are not able to turn in assignments on time. However, I do object to the idea that colleges are the main places where students should be taught the importance of deadlines. What I’ve noticed is that it’s not so much that they need help understanding what deadlines are. They need someone to understand that they sometimes have multiple deadlines, all at the same time, and there’s only so much time in their day.

For student success, rather than emphasizing bureaucratic rigidity, colleges should focus on academic rigor. Outside of faculty, staff members are unsung heroes and they need to be better utilized in student-success efforts. Staff members are often the first people students come into contact with as they find their way on campus. When they can’t help a student, for instance, they are committed to doing a “warm hand-off,” by calling ahead to another department or walking a student over. “We never want to leave a student feeling that they didn’t get the help they needed. Therefore, we have to prepare our institution to be ready for our students instead of making our students be ready for us.

JOURNEY

Life is full of wonder and beauty,
A journey full of love , sadness and duty.
From the first breath until the last end,
We cherish every moment and every friend.

Life is gift to be lived and explored,
To see the world and to find what we were looking for.
We laugh, we cry ,we learn and we grow,
It's a journey with high and with lows.

But when our time comes we need not fear,
For death is just beginning, not the end my dear.
A new journey awaits beyond this plain,
A new beginning, a new adventure, and a new refrain.
